TOWN TO HOST
OPEN TOWN HALL MEETING ON
MONDAY, MARCH 16 – 7:00 PM

PURCELLVILLE, Va. March 11, 2015 —
After having to cancel our first scheduled meeting due to inclement weather, the Town Council and members of staff are preparing for our first Citizen and Business Feedback Session of the year which will be held on Monday, March 16, 2015 in the Council Chambers at 7:00 p.m. The purpose of this meeting is to receive feedback from Town citizens and businesses on items that may be of interest to the community. In addition, the Town Council will answer any potential questions that residents and businesses may have in relation to our Town government, programs or projects.

Have you ever had a question about the Town that you wanted to ask but never did? Here is your opportunity. The meeting will be informal with the Town Council sitting in the audience with the residents. In order to better track the questions and make sure the Town can respond or follow up if needed, each resident or business will be encouraged to submit questions in writing upon arrival at Town Hall. Forms will be available in the foyer and the Mayor will work with Council to address each item submitted. In addition, questions will be taken from the floor as time permits. The main focus will be ensuring that all residents and businesses that attend are given time and a fair opportunity to speak. For more information on this meeting, please do not hesitate to contact Robert W. Lohr, Jr., Town Manager.

The Town of Purcellville, Virginia
Purcellville is an award-winning town of nearly 8,300 residents located in Loudoun County, approximately 40 miles west of Washington, DC. It has been honored for its green initiatives, most recently with the prestigious Siemens Sustainability Award for Small Communities. The Town has an elected Mayor and six Town Council members. Once a stop along the W&OD rail line, Purcellville has maintained its historic old-town feel through the restoration and maintenance of its many downtown structures, reflecting the Victorian architecture popular during the early 1900s. Today, Purcellville is the economic hub of western Loudoun County and a popular weekend destination for antiquing, entertainment, farmer's markets, wineries, breweries, distilleries and restaurants.
